Topic: Welcome to the Official WDC Competitors Commission

Dear Fellow WDC Competitor,

It is with great pleasure that we write to you as the Management Committee of the new WDC Competitors Commission. Our goal is to serve you the competitors, help to satisfy your dancing needs, and to help address any of your dance-related concerns or issues that may arise in the future. We have many ideas, aspirations, and hopes to create a Competitors Commission that is inclusive of all competitors and represents the interests and needs of all competitors from all different ages, styles, and categories of dance.

As the new WDC Competitors Commission, we have an official vote in the World Dance Council meetings and, therefore, influence in the future of our dance world! We need your help and participation in shaping the future of our dancing community. We will have continuous correspondences with you as a competitor and will ask for your thoughts and input on various issues that arise in the future. We need all of you as competitors to help contribute in the creation of a WDC Competitors Commission that is not only inclusive of every competitor but also helps to serve your dancing needs and helps you to become the best possible competitor in the WDC, the best arena for dancing!

Please continue visiting our website at www.wdccompetitors.com for more information and for continuous updates. All registered WDC competitors will become automatic members of the WDC Competitors Commission so that you can share your input and express your thoughts and concerns. In addition, please join our Facebook Group [here](#) and follow our Instagram Page [here](#) for the latest updates and discussions.

We look forward to working with all of you and receiving your invaluable input and we look forward to creating a strong and inclusive WDC Competitors Commission that serves the needs of everyone.

Happy Dancing!
